To Whom It May Concern

R/E: BLACK ECONOMIC EMPOWERMENT: BLUETEL COMMUNICATIONS (PTY) LTD.

In terms of The Broad-Based Black Economic Empowerment (B-BBEE) the Codes of Good Practice 2013 which were implemented with effect from 1 May 2015.

A QSE which is 51% Black Owned automatically qualifies as a Level 2 BEE supplier. Therefore a QSE entity of this nature only requires an affidavit in order to state their BEE level and is not required to conduct a full verification and only require a Sworn Affidavit,

As stipulated in the letter received from the BEE Commission (attached) this Sworn Affidavit will now replace the previous BEE certificate and is expected to be accepted by all relevant parties.

I confirm, the Measured Entity has 66% Black Ownership with a turnover between R10 – R50 million. The information was checked and verified by myself as true and correct.

The Sworn Affidavit was accordingly commissioned by commissioner of oaths.

Please feel free to contact me should you have any queries.

Yours Faithfully
